Public Hearing Notice

HLB is notifying nearby residents and property owners of an upcoming public hearing regarding a proposed disposal by easement. We encourage the public to provide comments in-person or in writing expressing their opinion about the potential easement. Enstar Natural Gas Company is requesting a 20' wide gas easement approximately 1000' in length on a portion of HLB Parcel 6-062 between a section line easement and Virgin Creek Road. This easement is being proposed as an alternative route for a gas infrastructure project that would otherwise be established in the existing State of Alaska managed section line easement. Additional information will be posted on the HLB website on November 13th.
